MARQUÉS DEL SILVO CRIANZA - 2017
Rioja D.O.Ca.

92
POINTS

Plump and rich, even as it's transparent enough in color to let light through the glass, this is a little Rioja that holds its freshness for days after the bottle is first opened. Its fragrant fruit ranges from light red plum to darker purple, then it lasts with a strawberry undertow. Decant it for roast quail or other game birds.
